For many years, individuals and their families have relied on the health insurance products designed, administered, and marketed by American Medical Security, Inc. When you add our service to the products we market, you have a company you can rely on for your health insurance needs—a company that incorporates the small-town values of its home town of Green Bay, Wis.

As you examine the benefits, features, and services described in this brochure with your professional agent, we're confident you'll be reassured that your health insurance needs will be in competent hands. We invite you to join the AMS family of satisfied customers.

## PLAN FEATURES

---

### Prescription Discount

Although this is not an insurance benefit, you may realize savings when you purchase your prescription drugs at a member pharmacy. You pay the entire cost of your prescription drug but at the discounted cost. (See page 6 for buy-up options.)

### TravelCare™

The TravelCare benefit allows insureds who are traveling outside their networks' primary service areas to receive care from providers affiliated with Private Healthcare Systems, Inc. (PHCS), a nationwide PPO network. Receive care from a PHCS provider and get network-level coverage—that may mean less out-of-pocket expense for you. To receive this insurance benefit, select a plan design using a PPO.

### On-the-Job Protection

On-the-Job Protection offers 24-hour coverage for eligible medical expenses due to work-related injury or sickness. Some occupations are ineligible. Ask your agent about On-the-Job Protection.

### Non-Tobacco Use Discount

If you don't use tobacco, you may receive substantial premium savings!

### Get the most from your plan!

When you precertify treatment, our health-care management professionals can advise you and your physician of the coverage available for your treatment. By offering sensible, cost-effective solutions, we encourage you to manage your health care and get the most from your plan.

### PPO Networks

A network of credentialed doctors, clinics, hospitals, and other health-care providers are contracted to provide medical services at negotiated fees. Your benefits may be greater when you select a PPO network and use network providers. Network providers are compensated for services covered under the Policy at predetermined rates which are usually less than the provider's customary rates. Network provider charges for covered services are considered reasonable and customary. AMS may replace the network at any time. You'll receive advance notice of any change.

### Term Life & AD&D Insurance

In most states, MedOne Plus plans include \$10,000 Term Life and AD&D insurance for the primary insured. An EarlyCare insured automatically receives \$5,000 Term Life and AD&D Insurance where allowed by the state.

### Out-of-Pocket Maximum

The out-of-pocket maximum is a specific limit on the amount of covered expenses you pay per calendar year. When an individual out-of-pocket maximum level has been reached, you no longer pay deductible or coinsurance for that individual for the remainder of that calendar year. The family out-of-pocket maximum is twice the individual amount. To reach a family deductible maximum, two members of your family must each meet an individual deductible. Once the family out-of-pocket maximum is met, no additional deductible or coinsurance will be taken for any family member for the remainder of that calendar year.

Non-network deductibles and coinsurance amounts credit toward both the network and non-network out-of-pocket maximums. The network deductible and coinsurance apply only to the network out-of-pocket maximum. Copays do not apply toward out-of-pocket maximums and are collected before and after the out-of-pocket maximums have been met.

## OPTIONAL BENEFITS

Available if you have selected any MedOne Plus benefit plan.

### Prescription Drug Coverage Options

The prescription drug coverage options provide benefits for covered expenses including the generic version of a prescription drug (or the brand-name drug if no generic exists).

If you wish, you may choose the brand-name drug even if a generic exists, but you must pay the difference in cost between the brand-name and generic drug in addition to the brand-name coinsurance (if applicable).

With this benefit, you may also be able to order your prescription drugs by mail.

Choose the following deductible; \$0, \$500, \$1,000, then the following benefits apply:

Retail: Generic drug: \$15 copay; 34-day supply  
Brand name : 50% coinsurance; 34-day supply

Mail Order: Generic drug: \$30 copay; 60-day supply  
Brand name : \$60 copay; 60-day supply

Your prescription costs do not apply toward your individual or family out-of-pocket expenses.

### Supplemental Accident Benefit

The Supplemental Accident Benefit (SAB) provides first-dollar coverage for each accidental injury. SAB benefits are payable the same whether a network or a non-network provider is seen. A maximum of \$300 per occurrence of covered expenses is payable at 100%, with remaining charges subject to copayments, deductibles, and coinsurance. The initial treatment must be received within 72 hours of the accident or injury, and the claim for expenses must be received within 90 days of the accident or injury.

### Voluntary Term Life and AD&D Insurance

Protect your family against financial misfortune caused by death or accidental dismemberment by purchasing one of our optional Term Life and AD&D Insurance benefit levels—up to \$300,000 of coverage is available (subject to underwriting approval).

### Voluntary Dependent Term Life Insurance

This Dependent Term Life Insurance option provides additional security in case of the death of a family member (spouse, child age 14 days to 19 years, or a child who is a full-time student until age 25). Dependent Term Life coverages are available only to dependent family members covered on the medical plan.

#### Dependent Term Life Amounts

### MEDONE DENTAL INSURANCE PLAN

An option for sale at time of application with MedOne Plus medical plans.

Combining MedOne Dental insurance with your MedOne Plus health insurance plan gives you a more comprehensive coverage package. When elected, MedOne Dental replaces the CAREINGTON International Discount Dental Program. (See page 10).

MedOne Dental delivers some of the same coverages as group dental programs. Coverages like coinsurance and maximum benefit protection for major services (crowns, dentures, and root canals) are part of your plan. And MedOne Dental allows you to see the dentist of your choice. You'll also have coverage for preventive care, including oral evaluations and cleanings, without any waiting periods.

#### Product Details

Coverage Information:

- Coverage type elected for health insurance will match the coverage type for dental insurance (applicant/spouse, applicant/family, etc.)
- Dental coverage is an optional benefit available with MedOne Plus medical coverage and cannot be continued or moved to another plan if medical coverage is terminated.
- MedOne Dental coverage is available only at the time a MedOne Plus health insurance plan is applied for. Dental coverage is not available for MedOne medical plans that are currently in-force.

Waiting Period Information:

- Waiting periods apply from the original effective date of MedOne Dental coverage. (See chart above). Credit for coverage with a prior carrier is not applicable to the waiting periods. A waiting period is the period of time before the insured is eligible for benefits under the Policy.

## PLAN PROVISIONS

---

### Pre-existing Condition Limitation

All medical plans include a pre-existing condition limitation.

A pre-existing condition means (1) a condition for which a person received medical care, treatment, services, medication, diagnosis, or consultation 12 months before the insured person's effective date of coverage or (2) a condition that produced symptoms that are distinct and significant enough to establish the onset of a condition or that the condition manifested itself, where a person learned in medicine would be able to diagnose the condition because of those symptoms, or where the symptoms would cause an ordinarily prudent person to seek diagnosis or treatment. Pre-existing conditions are covered after a period of 12 months, during which time the person has been continuously covered under the Policy.

We will waive the pre-existing limitation for conditions that are fully and completely disclosed on the application; however, we may place an exclusion or impairment rider on a certain condition(s).

### Rating and Renewability

Premium rates are calculated based on a variety of factors. As allowed by state law, these factors may include geographic location, provider network, distribution channels, selected benefits, age, gender, tobacco use, classes, health status of you and your insured dependents, the length of time you are insured under the plan, health status of the entire pool of insureds in which you are included, administrative costs, and other factors. Your initial premium rates are guaranteed for the first 12 months of coverage providing you maintain residence in the same geographic location. Thereafter, we reserve the right to periodically adjust the premium rates charged for your coverage under the Policy. We will provide you with advance written notice a minimum of 30 days prior to the effective date of a premium change, unless state law requires additional notice.

Premiums may also change on the next premium due after the date when:

- You or your insured dependent attain a higher age;
- A dependent is added to or terminated from the plan; or
- Any benefit is changed, including but not limited to, increases or decreases in a benefit, or the addition or removal of a benefit from the plan.

If a premium change is for one of the reasons stated above, we will notify you as soon as possible about the change.

If we find that premiums are incorrect, we will:

- Make a refund to you for any amount of overpaid premiums; or
- Request payment from you for any amount of underpaid premiums.

We reserve the right to adjust administrative and/or service fees. We will notify you prior to any change.

Coverage is guaranteed renewable except when:

- Premium was due and not paid.
- We determine fraud or material misrepresentation under the terms of the contract.
- We do not renew all plans with the same type and level of benefits in the state.
- We no longer sell similar health coverage in a given state.
- You or your dependents no longer reside in the network service area, if covered by a network plan.
- You move to a state where, by law, we are not licensed to do business.
- The group Policy terminates.

You may terminate insurance at any time by providing us written notice prior to the requested termination date. The termination date will be the first of the month. Insurance will terminate at 12:01 a.m. Central Standard Time on the termination date.

### **Health Insurance Portability and Accountability Act of 1996 (HIPAA)**

The Health Insurance Portability and Accountability Act (HIPAA) requires various changes to individual health insurance plans. In some states, the insurer must guarantee issue such plans to eligible persons who lose coverage under a prior group health plan. Such persons are not required to satisfy another pre-existing condition limitation. The new insurer may require copies of a Certificate of Creditable Coverage to determine how to apply the pre-existing condition limitation. Eligible individuals are guaranteed issue to a health plan.

An eligible person means a person who meets all of the following requirements:

- Has a total of 18 or more months of continuous creditable coverage.
- Most recent prior creditable coverage was under a group health plan.
- Is not eligible for coverage under Medicare or Medicaid.
- Was not terminated for nonpayment of premiums, fraud, or intentional misrepresentation of material fact.
- Has elected continuation coverage under COBRA or a similar state program, and has exhausted or will soon exhaust this coverage.
- Is not covered by another plan.
- Has had less than a 63-day break in coverage from the most recent group plan.

Creditable coverage includes health insurance coverage and other health coverage, such as coverage under other group health plans, short-term medical coverage, Medicaid, Medicare, CHAMPUS, other military-sponsored health care, and similar plans. Creditable coverage does not include accident-only coverage, long-term care coverage, liability or workers' compensation insurance, automobile medical payment insurance, or other similar insurance.

### **Reinstatement of Coverage**

If your coverage has lapsed for nonpayment of premium, you may be able to apply for reinstatement of coverage (not available in all states). If your coverage lapses and reinstatement is available in your state, you'll receive information about how the process works. Reinstatement is not guaranteed.

## **EXCESS/SUBROGATION/RIGHT OF REIMBURSEMENT**

---

We do not pay benefits when other excess insurance also pays for the same medical expenses. We subrogate to the extent of our payment when a party causes or is liable to pay for our insured party's injury or sickness. Insureds are required to repay us from any settlement, judgment, or any other payment received from any other source.
