Can a great plan get even better? It can with the MedOne Plus health insurance plan design. Take a look at the XL (X-ray/Lab) buy-up option* outlined below that's now available within MedOne Plus on the \$30 and \$40 copay plan designs.

The XL buy-up option offers:

First dollar coverage. The first \$150 will be paid at 100% for covered routine and non-routine X-rays and lab work performed in an office-visit setting before applying normal plan benefits. This benefit is per person, per calendar year.

Designed, Administered, and Marketed by: **American Medical Security™** Insurance Products Underwritten by: **United Wisconsin Life Insurance Company™**

*Availability of buy-up option varies by state. If selected, this new buy-up option is a network benefit only and is an additional cost to your premium.

Note: This insert is not a complete solicitation of health insurance. Your agent will explain how the new option listed above works in combination with the MedOne Plus brochure (BR-0405 series) and/or state variations insert.
